Homecoming '67

There are many activities going on at Beaver! Students are either getting ready for a football game or an evening with a special guy or gal. Nineteen hundred and sixty-seven is over, but the memories will always remain.

Beavercreek High's Mum Queen 1967.

Here we come....

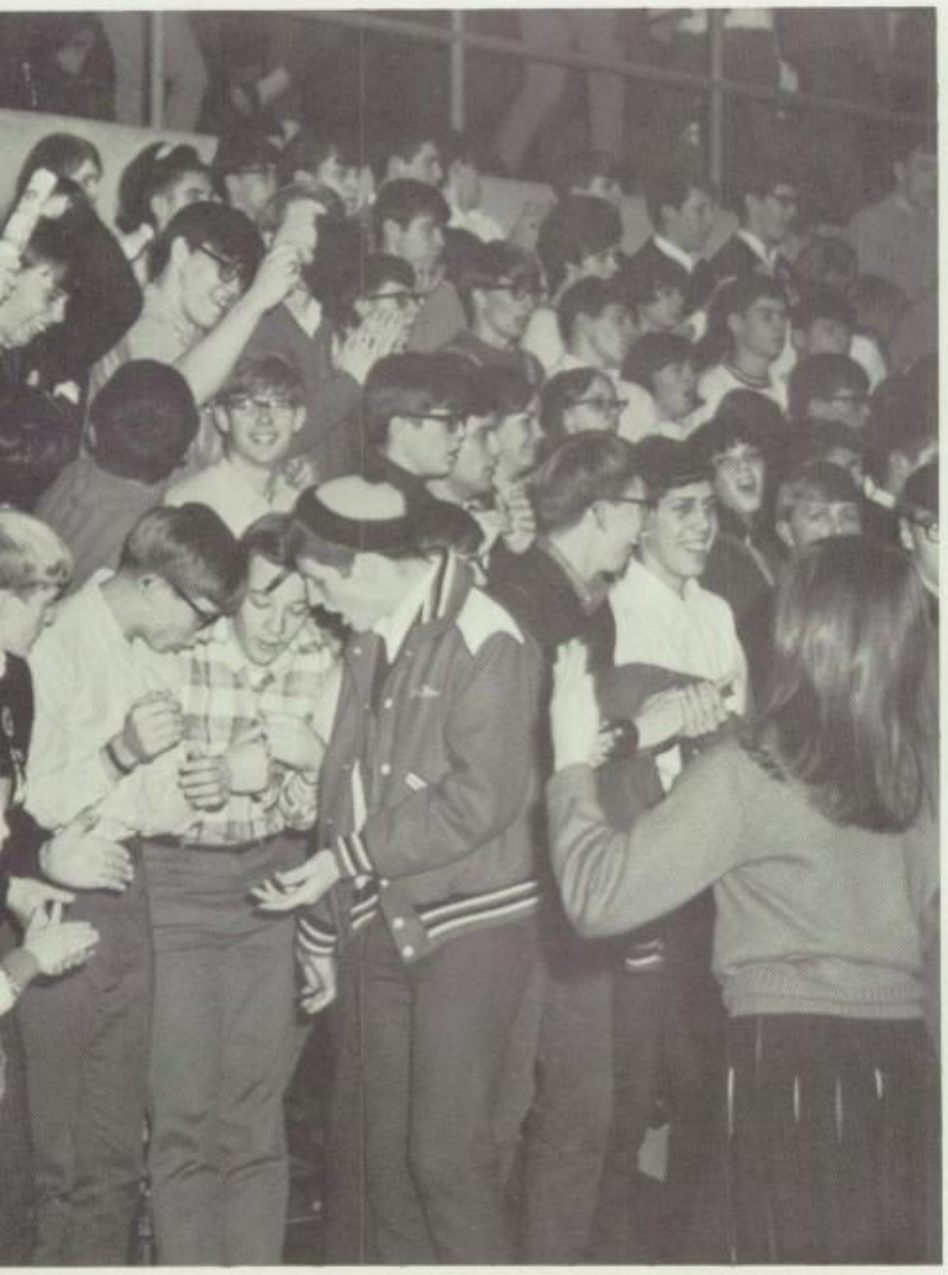
Hark! A forest in our gym!

Neither snow, nor rain, nor heat, nor gloom of night.

We've got the spirit that a great team needs;
It's gr-gr-gr-great!

What's going on in here?

Teachers and students are constantly working together at Beaver, whether it is a class discussion or demonstration. This all leads to school spirit.



Class discussions really get things going!

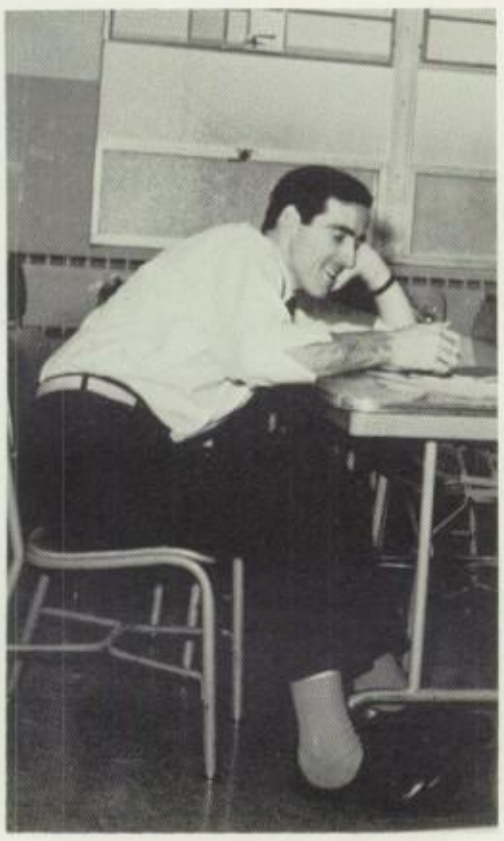
Well...I never in all my life...

Teacher and student working together.

# Western Ohio League

Tsk--tsk--Jill, you look so funny!

What a day for a daydream....



# Champs 1968

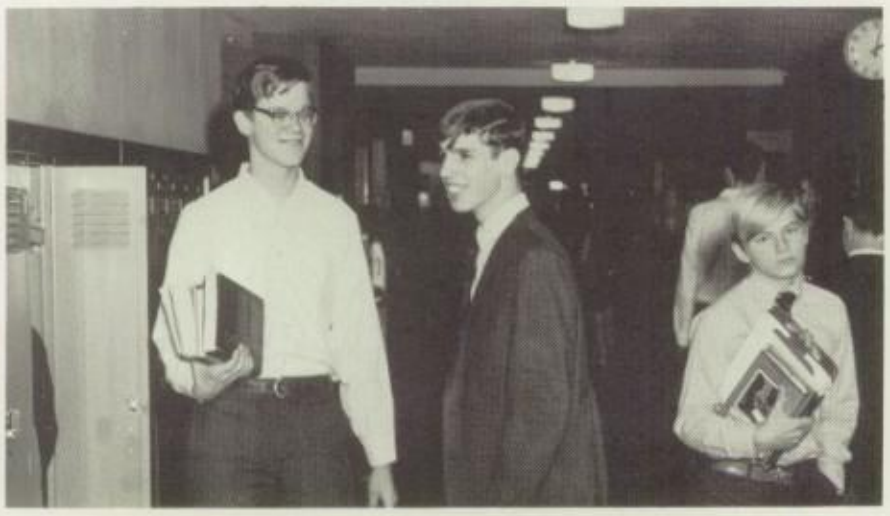
Believe it or not!!!!

Mel and the Boys!

# Beaver Memories

"If I'd just kept my mouth shut. . . "

"I dare you to take my picture, Karen. "



"A BLONDE in my locker?"

This can't be a typical BHS assembly!!!

"There's no chance of that. "
"There's too many of us. "

"C'mon, girls, quit!!!"

The Class of 1968 will truly leave its mark at Beavercreek High School. As underclassmen, the Class of 1968 sold placemats, doormats, and Booster bars. The Class was the first to choose a topaz stone as the set in the class ring. During the junior year, the class sponsored an open prom, the first in many years for Beaver. The Class of 1968 will always be remembered for its unusual gift, a group of young fir trees planted on the school's lawn. Dear ol' Beaver will truly remember the Class of 1968, as the class will remember its Alma Mater and the opportunities she gave to its members.

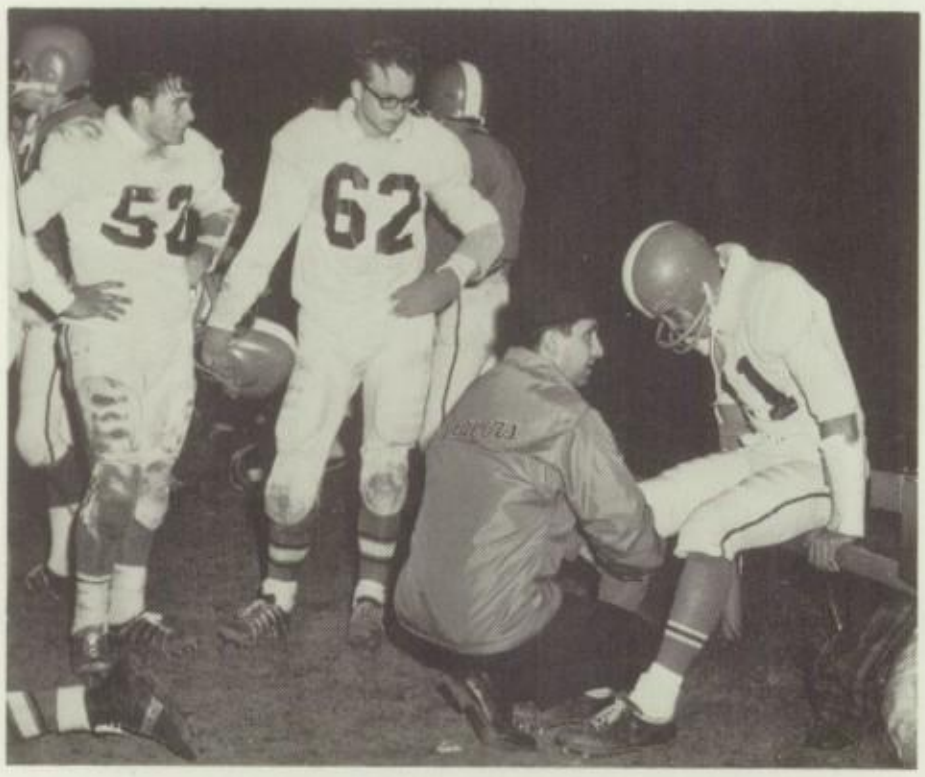
# FOOTBALL



# W.O.L. CHAMPS

Beavercreek's 1967 football team was composed of real "Battling Beavers" as they won six of seven league games and eight of ten altogether. Given no chance to win the tough Western Ohio League championship, this spirited team defeated every team in the league with the exception of Fairborn.

Victories included a 12-6 conquest of Fairmont West who shared the co-championship with the Beavers and an 8-0 victory over Xenia who was tied with Beavercreek for the league lead when they played.

Fifteen seniors showed the way, and many sophomores and juniors played important roles in the most successful season the Beavers have had since joining the W. O. L. Senior co-captains, Ron Magoteaux and Jim Edwards, made the all league team, joined by teammates Larry Delaney, Jim Barnes, and Mike Smith. Receiving honorable mention in the W. O. L. were Gary Doerfort, Don Stanton, Alan Botschner, Tom Pendergrast, Randy Cowman, and Doug Beck. Senior Jim Edwards made the All Greater Dayton team picked by the Dayton Daily News and the All Dayton Area team picked by the Journal Herald.

Beavercreek High School was ranked among the top teams in the area, and it recieved some support in the United Press International's balloting for the state championship. Coach Martin Proclaimed he had the best assistant coaches in the area and also the best managers to take care of the best players in the area. He promised that this would not be the last Western Ohio League championship for the "Battling Beavers."

The thinclads were an eager Beaver team from start to finish. They began practice in August, re-routed their course, and they built their own bridge in the woods. These Beavers placed fourth in the W. O. L. , but they were proudest when they brought home a second place trophy from the district. This fabulous team was led by seniors Greg Clark and Jim Black. Coach Spurlock became known as a real slave-driver as he forced the harriers to sprint up "misery hill" each night.

# Sixty Eight Was Great

These Battling Beavers had a 13-6 regular season and a 5-2 season with league play. They tied for second place in the WOL with Fairmont West. In tournament play, the Beavers won two and lost one.

Jim Barnes had a fabulous season. He led the team in scoring and set a new league scoring record. He was chosen a member of the first team for the Journal Herald All Stars, the All Miami Valley Team, and the All Greater Dayton Team, and the second team for the All Southwestern District. Jim also received honorable mention in the state. Jim was rated the number one player in the WOL. Receiving honorable mention in the WOL were players Mike Klopfer, Tom Elking, and Jerry Pierce. Jerry Pierce, the second leading scorer on the team, missed the last six games of the season due to illness. Tom Elking was the rebounder on our team with 140 offensive and 161 defensive rebounds.

The Beavers battled hard and when they lost it was by a narrow margin. Next year's team will be led by co-captains Gene Schulte and Larry Fischer.

# Boy's Gymnastics

Beavercreek's boys gymnastics team finished third in the WOL and seventh in the state. The team was lead by coach Scott Smith and assisted by coach Sam Hamilton.

The team ended with a 7-5 winning season. This was credited to the participation of the underclassmen and the support of returning upperclassmen. Mark Kick was the team's outstanding gymnast, placing sixth in the state competition on the still rings.

# Girl's Gymnastics

The BHS girl's gymnastic team had one of it's best seasons this year with a win and loss record of 5-5. Because this sport is both an individual as well as a team sport, it is necessary for the girls to give up many hours to practice their stunts. The vastly improved record is not only acreditable to the estimated thirty girls who participated on the team, but also to the first women's gymnastics coach at Beaver, Miss Joyce Shue. Since this year's team was comprised of freshmen, sophomores, and juniors, the outlook for next year's team promises success.

# Wrestling

For the fourth consecutive year the wrestling team went undefeated in dual meet competition. The eight victories during 1967-68 made it thirty-two in a row. Thus the graduating class did not see the varsity wrestling team lose a dual meet during their high school careers.

The "Battling Beavers" won four tournaments - the Beavercreek Invitational, the Stebbins Tournament of Champions, the Western Ohio League, and the Dayton District. They placed twenty-fourth in the state tournament.

One of the highlights of the season had to be winning the Stebbins tournament over several other district championship teams of 1967. Mike Smith was the hero when he recorded a pin in the final match of the meet to allow the Beavers to nose out Columbus DeSales 76-75.

Another big victory for B. H. S. was the Dayton District Tournament where they scored a record 151 points and qualified six wrestlers for the state meet. Seniors Don Stanton, Mike Smith and Captain Logan Martinez and juniors Mike Pittman, Walt Montgomery and Jim Cox were individual district champions.

Martinez became the second wrestler in Beavercreek history to place in the state meet when he nailed down a fourth place finish. He was voted Most Valuable Wrestler by his team mates. Logan also received the first annual George Bruns Memorial Award for "outstanding courage, determination, and achievement."

Mike Smith set a record of twenty pins in one year. Wrestler-scholar awards went to Don Sommers, Jim Cox, and Rhon Williams. Craig Lyon was selected Most Courageous Athlete.

Coaches-Mr. Seilhamer, Mr. Weidner and Mr. Corson

The Beavercreek track team has had one of the most impressive records ever attained. Our trackmen had a 7-0 record in dual meets. They also took first place in the Beaver Invitational and Wilmington Invitational and battled to second place in the Stebbins Invitational. The team placed sixth in the district, and four boys went to the regionals.

During the season six school records were broken. Terry Kearney broke two of the records, shoving the shot 52 feet, 9 inches, and throwing the discus 154 feet. Mike Klopfer also broke two more records, setting a record of 10.1 seconds in the 100 yard dash and lowering the 220 yard dash record to 22.7 seconds. Jim Black set a new height for the pole vaulting record, vaulting to 12 feet, 6 inches. Ken Whittaker was the first Beaver trackman to bring the school record for the 880 below two minutes, establishing a record of 1:58.7. The mile relay team composed of Tom Elking, Mike Klopfer, Barry Schwartz, and Ken Whittaker broke another record by lowering the time down to 3:33.6.

The reserve team and freshman team also had successful seasons. Many of the freshmen were good enough to make the varsity team.

Much of the team's success is due to the excellent coaching of head coach Mr. Bob Weidner and Assistant coaches, Mr. Buzz Seilhamer and Mr. Barry Corson.

Winning was not the high spot in the 1968 tennis campaign. Beaver netters finished the season with a 1-12 mark, winning their lone match from Yellow Springs. The bright spot was the lone winning efforts of Tim Chappars and Dave Schwartz in singles and a few victories from Jim Pugh and Ted Santo in doubles. With a prayer of some new facilities for next season, the return of Schwartz and Chappars hopes to brighten the future tennis picture at Beaver.

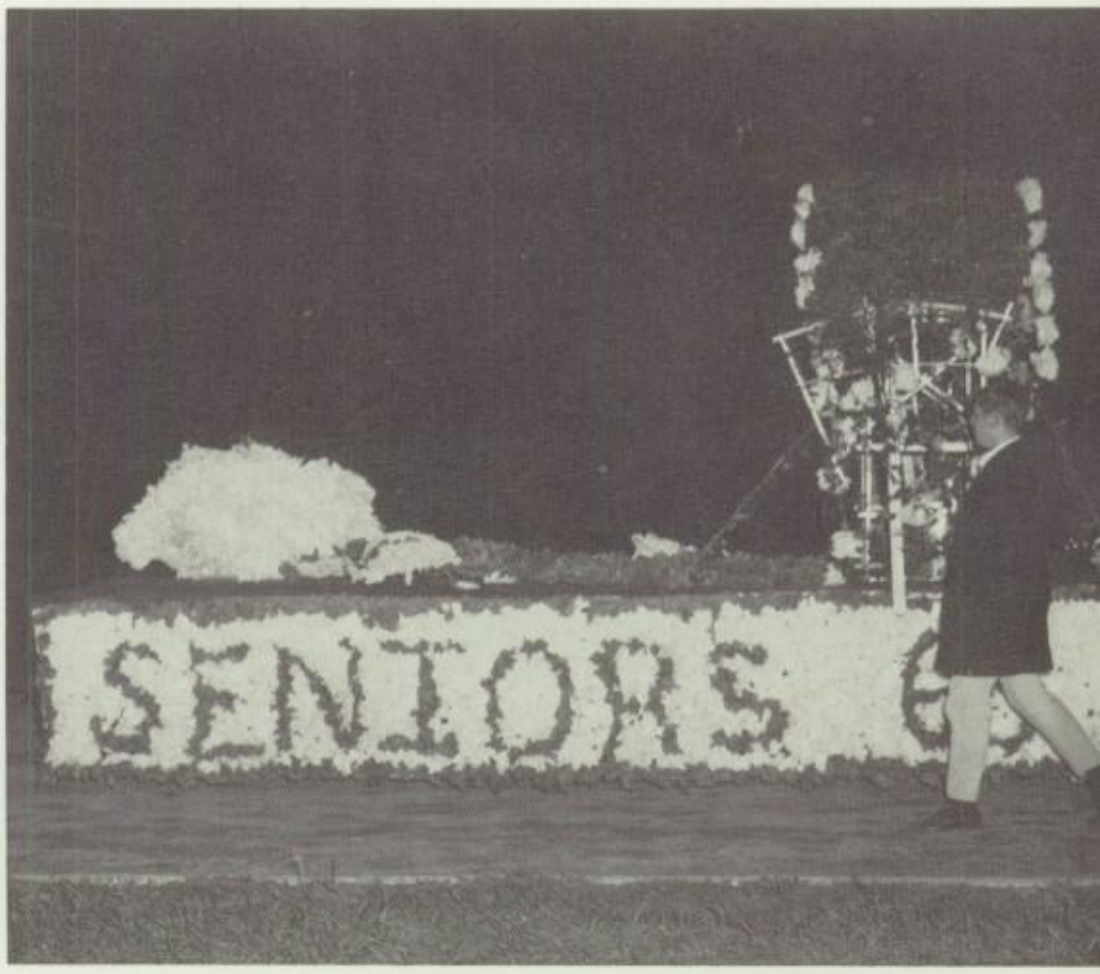
# To Remember

What's this ? Three girls to one boy?

Pep Club's "Spirit Stick".



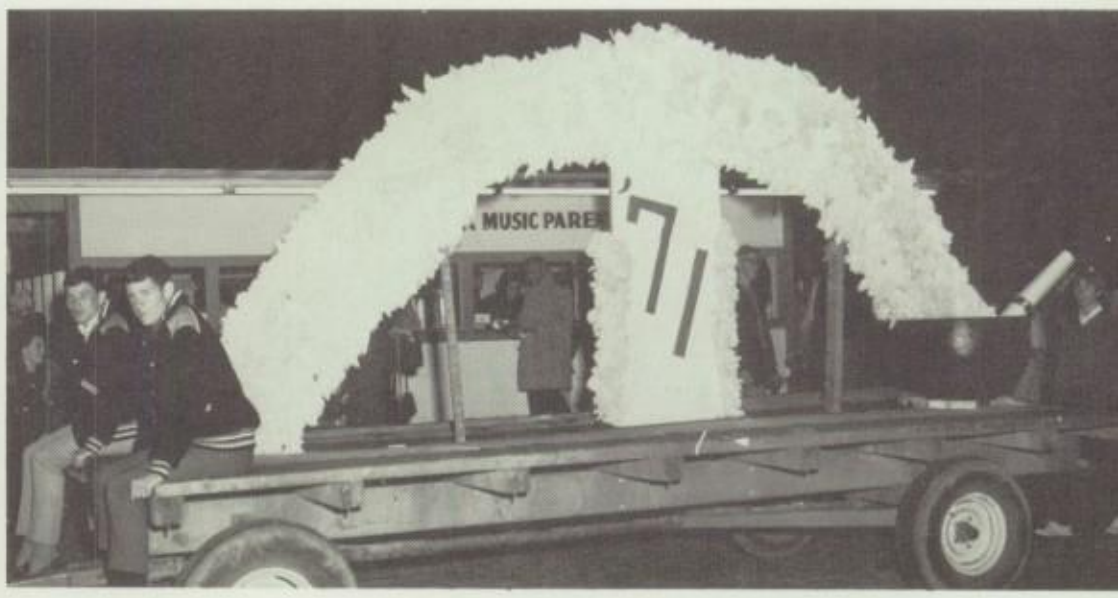
A bough of yellow roses symbolizes the great class of 68?????

As homecoming week drew near, all eyes were focused on the three underclassmen attendants and the three senior candidates for homecoming queen. Finally, it was the night of the homecoming game! Pre-game ceremonies consisted of a parade with floats, the high school band, the girls chosen to be attendants, and the three candidates for queen.

At half time, the girls were brought out on the field and the queen announced. This year's queen was petite, blonde-haired, brown-eyed Phyllis Terrell.

The following night the homecoming dance was held. The decorations were beautiful and everyone had a most enjoyable time.

The Freshman class also got into the act.



# Christmas: 1967

DECEMBER 21, 1967--It was the last day before Christmas vacation! Everyone was in the jolly Christmas spirit. The traditional assembly was held by student council and Beavercreek's a Capella choir.

Later that night, the Christmas dance was held, sponsored by the Senior class. The fieldhouse was transformed into a lovely winter wonderland. The theme for this year's dance was "Twas the Night Before Christmas." The band engaged to carry out this theme was the Article IV.

All who attended agreed it was a huge success.

The Spring Play, sponsored by the Class of '68, was a real "riot", a "Rimrock Riot" that is. The only man teacher in a school system can sure have a rough time, especially when he has to put up with a female football coach, a boy with only rockets on his mind, and a full-fledged sex-pot in his class room. Poor Mr. Agnew finally "makes" it through the year, besides turning up with the job of football coach, and as Miss Chisle's escort.

# An Underwater Paradise

No, it isn't a circus, it's the entrance to the "Underwater Paradise".

On April 27, 1968, the fieldhouse was transformed into a beautiful "Underwater Paradise". As the many couples passed through the doors, they were given the sensation of walking on the ocean floor. There were fish hanging from the ceiling, a diver with a sunken treasure chest was centered on the floor, and the stage was changed into a large aquarium. The balconies closely resembled islands, complete with palm trees.

Almost everyone will agree, it was the most beautiful prom ever held by Beavercreek High School.

Our special thanks to the Junior Class and all others affiliated with this year's Junior-Senior Prom.

They're even handing out programs. Wow, how classy can you get???

# Finian's Rainbow

The fabulous cast of the musical this year. All the hard work was worthwhile!!

Come on Greg. Spats?? Now Really!

The 1968 musical "Finian's Rainbow" given by the high school music department was a huge success.

The lead roles were excellently portrayed with Linda McNiel as Sharon, the Irish lassie; Bob Gleadall as Og, the leprechaun; Mark Rankin as Woody, the hero; and Marietta Clark as Susan the Silent, who did several beautiful ballet numbers. John Ohlemeyer's portrayal of Finian will be remembered as tops. Characterizations were skillfully done by Greg Clark as the Senator from Missitucky, Brad Watson as his aid Buzzy Collins, Al Nels as the "shuffling butler" and the three Passion Pilgrim Gospelers--Tim Sweat, Tom Raybold, and Jim Black.

Much credit for the success of this musical is due to Mr. Workman, Mrs. Betsy Scanlan, his co-director in charge of drama, and Mrs. Lois McKinnon, director of choreography.

"That kick-a-poo joy juice can really get to you," says Finian as he sees a leprechaun. (John Ohlemeyer played Finian, Bob Gleadall portrayed the leprechaun.

It looks like love for Sharon and Woody (Linda McNeil and Mark Rankin).

Harold married Tereasa out of "Necessity".

# American Field Service

"Walk together, talk together,
All ye people of the Earth.
Then, and only then, shall ye know peace."

This is the motto of the American Field Service (AFS) exchange student program. The AFS is broken down into adult community chapters and high school student clubs throughout the country. The purpose of the Beavercreek High School AFS Club is to aid the adult chapter, to make the AFS student feel welcome, and to promote the American Field Service program. These purposes materialize in the form of parties, soc-hops, shorts days, and the annual fund-raising drive.

This typewriter is going to be the death of me!!

Oh well, so I goofed again. So what????

From this picture, you can see that "Hard Work" is our motto.

As the school year 1968 comes to a close, so does the work of the yearbook staff. Many people think yearbook is "fun and games", but four times through the year, as deadlines arrive, the work becomes fast and furious. Everyone rushes about trying to find appropriate pictures and write difficult copy. Even with all the rush, we still have a great time.

# In Dedication . . .

In recognition and thanks for her eight years of work in yearbook, and her fine years of teaching at Beavercreek High School, we would like to dedicate the 1968 edition of the Beaver Tales to Mrs. Ruth Neff.
